

FlavorCatcher Bacon Grease Storage – Capture the Magic of Traditional Down Home Cooking

- **INSTANTLY IMPROVE THE FLAVOR OF YOUR FOOD:** Use the stylish, contemporary Down Home Cooking Bacon Grease Catcher to store flavorful bacon grease, coconut oil, and other natural fats safely and conveniently. Add smoky, traditional flavors to all of your family's favorites, including country-style fried chicken, eggs, green beans, red-eye gravy and many other traditional family recipes and modern dishes. Practically everything benefits from the flavor of bacon. Now you can use this attractive and economical polished stainless steel bacon grease container to store delicious flavors safely and conveniently so you can add them whenever you want to add a little extra down home goodness to your cooking!
- **CONVENIENT AND SAFE:** Unlike glass jars, aluminum cans, or plastic containers, the Down Home Cooking Bacon Grease Catcher won't crack, leach dangerous metals or melt when bacon grease and other hot oils are poured into it. There's never any mess or fuss with the Down Home Cooking Bacon Grease Catcher. Includes an attractive, easy to lift lid and a fine mesh screen that instantly filters out food particles that can break down oils, extending the life of your bacon grease. Store nearly 1.5 quarts of full-flavored oils safely in your refrigerator or on your countertop. Plus, the sleek, contemporary design of this one-of-a-kind pan grease strainer fits the design of any kitchen.
- **ECONOMICAL AND ENVIRONMENTALLY SAFE:** The Down Home Cooking Bacon Grease Catcher/Cooking Oil Catcher is both safe for your home and good for the environment. Catch and capture bacon grease and other oils for reuse before they can become trapped in your plumbing or enter your community's sewer system. Store clean, reusable, highly flavorful oils safely in your refrigerator or on your countertop for weeks until you are ready to use them to add smoky down home flavor to any dish or recipe.
- **TRADITIONAL COOKING COMBINED WITH MODERN CONVENIENCE:** Now you can enjoy the same delicious, traditional mouth-watering flavors your family loves without the danger or inconvenience of glass Mason jars, coffee cans, or other unsafe or unstable storage vessels. The Down Home Cooking Bacon Grease Catcher/Cooking Oil Catcher is specifically designed to store your bacon grease and other reusable cooking safely and conveniently. Thanks to its built-in fine mesh stainless steel screen, there's no more need to use messy cheesecloth to filter food particles. And its dishwasher-safe polished stainless steel finish and stylish design make it simple to clean and easy to store.
- **100% MONEY-BACK GUARANTEE:** The Down Home Cooking Bacon Grease Catcher/Cooking Oil Catcher is fully protected by Amazon's A-Z money-back guarantee.
